Server Snippets

These snippets are attached to various rolls (!r, !c, !s, etc.) to add common modifiers. Simply add the text as a word after the roll to use them, such as !a greatsword gwm guidance hbc to attack with Great Weapon Master with a Greatsword given Guidance and Hexblades Curse.

Several of these will also display the rule for the skill associated with the snippet. Some snippets automate legacy 2014 mechanics; these are labelled below.
